Jenn, hope this email finds you well. Sorry for the late messgae, as I've sent all to Nora and the Captain.

We began our second session of the CVEgrant, today. On Thursday, we will have our "Graduation," 2-3:30, at the Dewitt Community Center, at Madison Park Village.

Today, we spoke about the Commissioner and Chief, and how they both grew up in the inner city's Southie and Dorchester.

I think as this transition takes place, it would be great, and symbolic, to have both attend.

Let me know your thoughts.

Best.

Paul

Paul,

I will share this with their schedulers. Friday is PC Evans' last day, and the Chief is very busy getting ready for his swearing in and transitioning to commissioner. I'm not sure if either of them will be able to make it, but I will inquire. Thanks!

I will share this with their schedulers. Friday is PC Evans' last day, and the Chief is very busy getting ready for his swearing in and transitioning to commissioner. I'm not sure if either of them will be able to make it, but I will inquire. Thanks!

Jenn, hope this email finds you well. Sorry for the late messgae, as I've sent all to Nora and the Captain.

We began our second session of the CVEgrant, today. On Thursday, we will have our "Graduation," 2-3:30, at the Dewitt Community Center, at Madison Park Village.

Today, we spoke about the Commissioner and Chief, and how they both grew up in the inner city's Southie and Dorchester.

I think as this tansion takes place, it would be great, and symbolic, to have both attend.

Let me know your thoughts.

Hi Nora,

An official happy new year and hope all goes well. As we discussed, we have been planning our next YPI with Said Ahmed and Somali youth. We met with the Police Foundation and decided to implement it over two weeks, instead of one, because the youth involved have some other commitments. We decided on January 21, 23, 25, 28 and 30 (that's Monday. Wednesday and Friday on week one and Monday and Wednesday on week two). Graduation would also occur on the 30<sup>th</sup>. As you know, our officer participants only come the last two days (January 28 and 30) and we were hoping to get officers who haven't done the training before –even from the Academy. The session go from 5-7 at the United Somali Youth Center at 70 Warren Street on second floor. Any help you can offer getting officers to come would be fantastic.

**Subject:** Upcoming YPI with Somali Youth

Hi all,

Said Ahmed and I have scheduled another YPI with youth from his program to take place during the week of Feb. 18 (Monday through Friday, Feb. 18 –Feb 22) from 3:30 to 5:30 each day. The sessions are at the Somali Youth Center on 70 Warren St, as before. The graduation will follow the last session on Friday night.

Cynthia, it would be great to have your great training skills in the room. I know we have discussed getting some police officers new to YPI in the training on the last two days (Thursday and Friday) which is when we do the interactions with kids. I am sensitive to the challenges of taking officers off the street but any help you can offer on this front would be great.

Let me know your thoughts and if there is anything we can do to assist in any of these efforts.

Thanks and much appreciated!

**Subject:** Upcoming YPI with Somali Youth

Hi all,

Said Ahmed and I have scheduled another YPI with youth from his program to take place during the week of Feb. 18 (Monday through Friday, Feb. 18 –Feb 22) from 3:30 to 5:30 each day. The sessions are at the Somali Youth Center on 70 Warren St, as before. The graduation will follow the last session on Friday night.

Cynthia, it would be great to have your great training skills in the room. I know we have discussed getting some police officers new to YPI in the training on the last two days (Thursday and Friday) which is when we do the interactions with kids. I am sensitive to the challenges of taking officers off the street but any help you can offer on this front would be great.

Let me know your thoughts and if there is anything we can do to assist in any of these efforts.

Thanks and much appreciated!

Jenn, hope this email finds you well. Sorry for the late messgae, as I've sent all to Nora and the Captain.

We began our second session of the CVEgrant, today. On Thursday, we will have our "Graduation," 2-3:30, at the Dewitt Community Center, at Madison Park Village.

Today, we spoke about the Commissioner and Chief, and how they both grew up in the inner city's Southie and Dorchester.

I think as this transition takes place, it would be great, and symbolic, to have both attend.

Let me know your thoughts.

Best.

Paul

Hi Nora,

An official happy new year and hope all goes well. As we discussed, we have been planning our next YPI with Said Ahmed and Somali youth. We met with the Police Foundation and decided to implement it over two weeks, instead of one, because the youth involved have some other commitments. We decided on January 21, 23, 25, 28 and 30 (that's Monday, Wednesday and Friday on week one and Monday and Wednesday on week two). Graduation would also occur on the 30<sup>th</sup>. As you know, our officer participants only come the last two days (January 28 and 30) and we were hoping to get officers who haven't done the training before –even from the Academy. The session go from 5-7 at the United Somali Youth Center at 70 Warren Street on second floor. Any help you can offer getting officers to come would be fantastic.

Many thanks as always,

Hi Nora and Jen,

We finished an excellent YPI last week at the Somali Youth Center. We have two more to do, probably in late April and May I'll keep you posted. I did want to mention that the Police Foundation is interested in piloting YPI in schools. As you know – thanks to your introduction to Tom Sexton, Nora—I have spoken with that team. Tom was great and very accommodating. As this takes shape, should we discuss? Are we okay to work up a possibility?

Thanks as always for the support--
